"Recensione -Oh, my birds, I love this book! I'm obsessed with Ransom Riggs' wildly creative world packed with heroic, heartwarming characters, supper baddies, and incredible settings like Devil's Acre and the Library of Souls.---Annalyse, Justine Magazine -Fans of the trilogy's first two books will enjoy Library of Souls for its unique world, fast action, satisfying answers and a thorough tying up of loose ends.---Free Lance-Star -Library of Souls will not disappoint.---Forces of Geek -I was blown away by the way the haunting photographs were woven so seamlessly into the incredible plot. And Library of Souls has simply the most perfect ending.---Nikki, Justine Magazine -The challenge Riggs faces in Library of Souls is to match the remarkably high standard set by the first two books in the series, either the mind-bending bafflements of the first book or the edge-of-your-seat action of the second. Riggs succeeds, delivering a thrilling conclusion to Jacob's trilogy.---Paste magazine -Fans will easily lose themselves in this most peculiar tale of all.---Booklist -Thrilling and satisfying.---School Library Journal -Enthralling.---Children's Bookwatch -I enjoyed reading this book so much, the cliched, 'I couldn't put it down, ' doesn't suffice.---Geeks of Doom -Readers are sure to leap right in after the cliffhanger ending of Hollow City, and they won't be disappointed.---RT Book Review, 4 1/2 out of 5 stars **Praise for Miss Peregrine's Home for Peculiar Children** -A tense, moving, and wondrously strange first novel. The photographs and text work together brilliantly to create an unforgettable story.---John Green, New York Times best-selling author of Looking for Alaska and Paper Towns -Readers searching for the next Harry Potter may want to visit Miss Peregrine's Home for Peculiar Children.---CNN -Riggs deftly moves between fantasy and reality, prose and photography to create an enchanting and at times positively terrifying story.---Associated Press -I read all of the Miss Peregrine's Peculiar Children books and I loved them.---Florence of Florence + The Machine -[A] thrilling, Tim Burton-esque tale with haunting photographs.---USA Today Pop Candy -With its X-Men: First Class-meets-time-travel story line, David Lynchian imagery, and rich, eerie detail, it's no wonder Miss Peregrine's Home for Peculiar Children has been snapped up by Twentieth Century Fox. B+---Entertainment Weekly -Peculiar' doesn't even begin to cover it. Riggs' chilling, wondrous novel is already headed to the movies.---People -You'll love it if you want a good thriller for the summer. It's a mystery, and you'll race to solve it before Jacob figures it out for himself.---Seventeen -This peculiar parable is pure perfection.---Justine magazine -One of the coolest, creepiest YA books.---PopSugar -It's an enjoyable, eccentric read, distinguished by well-developed characters, a believable Welsh setting, and some very creepy monsters.---Publishers Weekly -An original work that defies categorization, this first novel should appeal to readers who like quirky fantasies. Riggs includes many vintage photographs that add a critical touch of the peculiar to his unusual tale.---Library Journal -Miss Peregrine's Home For Peculiar Children is a wonderfully original and inventive book with colorful characters, a mysterious tale woven together with threads of historical relevance, and incorporating unforgettable vintage photographs which bring the story to life.---Geeks of Doom -Brace yourself for the las --Booklist""Oh, my birds, I love this book!
