"Críticas 'Christopher Hitchens is one of the great conversationalists of our age and his wit, style and erudition are brilliantly deployed in this glittering autobiography. Hitch-22 sparkles with funny stories, treasurable quotations, witty aperçus and deft descriptions.' Sunday Times 'A pert yet elegantly written memoir.' Sunday Telegraph 'A fascinating account of the influences - political, cultural and philosophical - on Hitchens's intellectual development... A funny, sad, incisive, and serious narrative... He is our son and one of our most gifted writers. We should take pride in that and be busting our guts to get him back.' Spectator Reseña del editor Nominated for the National Book Critics Circle Award The acid, hilarious, confessional, provocative bestselling memoirs of our greatest contrarian, and the author of god Is Not Great. In this long-awaited and candid memoir, Hitchens re-traces the footsteps of his life to date, from his childhood in Portsmouth, with his adoring, tragic mother and reserved Naval officer father; to his life in Washington DC, the base from which from he would launch fierce attacks on tyranny of all kinds. Along the way, he recalls the girls, boys and booze; the friendships and the feuds; the grand struggles and lost causes; and the mistakes and misgivings that have characterised his life. Hitch-22 is, by turns, moving and funny, charming and infuriating, enraging and inspiring. It is an indispensable companion to the life and thought of our pre-eminent political writer. Biografía del autor Christopher Hitchens (1949-2011) was a contributing editor to Vanity Fair and a columnist for Slate. **Christopher Hitchens' last book, God Is Not Great, has sold nearly half a million copies worldwide, arguably mostly to atheists or agnostics already sympathetic to its argument. If by the same logic, most of the people who pick up a copy of Hitch 22 are already Hitchens fans, that would be a shame because unlike in Hitch 22, part 1 of the audio book, Salty Tears, loading Christopher Hitchens' Hitch 22 interview at NY Public, Hitch 22: A Memoir, Hitch didn't want anything to do with this expedition but was unable to say no. He even had one all picked out: its front name was the Tahiti, a dire Polynesian-themed massage parlor on Lower Lexin. In 1990, Mentary magazine warned its readers that Christopher Hitchens, then a bomb-throwing columnist at The Nation, was a highly visible piece of leftist bric-a-brac in East Coast literary salons, the targets of Hitchens' wrath.
