*Simple Self-Healing That Works...* “**The Wordsworth of healing.**” - Ella Boyce Kirk, author of My Pilgrimage to Coué “**He succeeds in a simple way of stripping disease of its dignity.**” - George Draper, Literary Digest  
French psychologist Émile Coué was one of the more underappreciated geniuses of 20th century medicine. Almost a hundred years ago, Coué’s popular self-healing method – which he called autosuggestion – helped cure thousands of people annually. Today, however, few people have ever even heard of him. This book introduces you to Coué’s overlooked formula, and will surprise you in the process. If you grasp the simplicity of autosuggestion, you’ll be able to use this wonderful tool as you wish – and it should help make your life “better and better.” Get your copy now.
