"Pressestimmen 'A feast of horticulture and Englishness.' - *House & Garden* Gardening Book of the Year 2014 - *Daily Telegraph*"This book will inspire and delight ... the stories of these gardens so compellingly capture by George Plumptre make the reader stop and tarry awhile, marvelling at the energy, the vision and the passion of the people who created gardens such as Hidcote, Sissinghurst and Great Dixter.' - *The English Garden*"Tells the tale of the English Country House Gardens over the past 500 years expertly and informatively' - *Countryside Magazine*'Sure to become a classic.' - *Garden Design Journal*'Lively, authoritative text...photographs by Marcus Harpur significantly enhance the pleasure of this handsome book...consistently inspiring and informative.' - *Historic House Magazine*'appealing...' - *Evening Standard* Über den Autor und weitere Mitwirkende **George Plumptre** is Chief Executive of the National Garden Scheme, a charity opening gardens in England and Wales. His first book, *Royal Gardens*, was published in 1981. Since then he has written a further ten books on garden history, design and horticulture including *Garden Ornament*, *The Garden Makers* and *Heritage Gardens*. His career as a journalist has included being Gardening Correspondent of *The Times* (1993-96) and he has been a regular contributor on gardens to *Country Life* since 1980. His other books include a biography of Edward VII and *The Country House Guide*. **MARCUS HARPUR** began his career in book publishing before joining his father, Jerry, to form Harpur Garden Images in 1992, and he photographed gardens around the UK until he died in 2017. A contributing photographer to numerous books and principal photographer on *Secret Gardens of East Anglia*, *How to Garden*, *Dream Gardens of England* and *The Winter Garden*, he was a frequent contributor to magazines such as *Country Life*, *Gardens Illustrated* and *House and Garden*."

Old english homes were much smaller and more streamlined than the large tudor style country residences that appeared in the late 19th century that echoed medieval english styles characteristics mostly incorporated included the steeply pitched roof and cr

There is something special about the english country house garden from its quiet verdant lawns to its high yew hedges this is a style much desired and copied around the world the english country house, the english landscape garden also called english landscape park or simply the english garden is a style of landscape garden which emerged in england in the early 18th century and spread across europe replacing the more formal symmetrical jardin à la française of the 17th century as the principal gardening style of europe the english garden presented an idealized view of nature created and pioneered by william kent the inf, english country decor english country gardens english countryside english manor houses english house garden design house design country estate old houses bowood house the glam pad my fascination with all things english was renewed last night as i watch.
