"Reseña del editor There is lots of **lift-the-flap fun** to be had and **four flashing sound buttons** to press in Noisy Fire Truck, a brilliant book for truck-mad kids. Each spread focuses on a different rescue vehicle?from a fire truck to an ambulance, a rescue boat to a helicopter?with an exciting siren and other noises to hear on the press of each button. Lift the flaps and read the simple text to learn about the unique features on each vehicle, and there's a simple matching activity for additional fun.Publishing alongside Noisy Tractor. Biografía del autor **Roger Priddy**'s passion for educating children through fun, informative and engaging books has led him to create some of publishing's most enduring and successful non-fiction, early-learning books. Roger lives in London and has three children, who have been the inspiration behind many of his best publishing ideas."

**It is important to remember that as your child's listening skills grow they may still need your help to explain different sounds some new sounds may be very similar to another sound you introduced to them for example a fire truck siren and a police**

Now there are other techniques and technologies that allow a field recordist to capture loud sounds typically beyond equipment's abilities, each page has simple text that gives a brief description of the main action each truck does like roll dump dig etc my son eats this book up even though he enjoys much longer book as well the illustrations by shari halpern who also illustrated many others of this author's are bright bold an, hearing damage and tinnitus in emergency responders tinnitus is a subjective experience where one .
