Pursuits of happiness : the social development of early modern British colonies and the formation of American culture. Responsibility Jack P. Greene. ... Synthesizing literature of the previous two decades on the process of social development and the formation of American culture, he challenges the central assumptions that have traditionally ... Pursuits of Happiness: The Social Development of Early ... Greene argues that the New England declension model traditionally employed by historians is inappropriate for describing social change in all the other early modern British colonies. The settler societies established in Ireland, the Atlantic island colonies of Bermuda and the Bahamas, the West Indies, the Middle Colonies, and the Lower South followed instead a pattern first exhibited in ... Pursuits of Happiness: The Social Development of Early ... Finally, around these themes, the book attempts to provide a synthesis of existing literature on the social development of the settler societies of the early modern British Empire. On several occasions while I was composing this volume, I impishly told colleagues whose research interests focused upon New England that its subject was the irrelevance of New England in the formation of American ...
