"L'autore **Claire Watts** began her career as a writer and editor of educational nonfiction books on a variety of topics ranging from natural disasters to ancient Egypt. Secretly, though, Claire was always writing fiction. In addition to her nonfiction works, Claire has written several novels, including What They Don't Tell You About Love in the Movies, Being the English Girl, and Gingerbread & Cupcake. **Trevor Day**, PhD, was a marine biologist working for the United Nations Development Programme, before embarking on a career as a biology professor and writer, and as an educational researcher. Trevor is the author or coauthor of more than 40 books and is currently a fellow of the Royal Literary Fund at the University of Bath in England."
