"Pressestimmen 'The ultimate book...very comprehensive...Superb...one of the finest books I have come across on the subject and should be read by all those yachtsmen and women who seriously want to sail faster and win races! A not to be missed book and should be read by all serious sailors.' --Nautical Magazine'One of the most readable books on the complex subject of sailing faster, and without doubt, a must for every racing sailor.' --Yachts and Yachting'It is a book no serious racing yachtsman should be without.' --Kelvin Hughes'It is the cheapest bit of go-faster gear you can buy...' --Robert Lloyd, Island Sailing Club Über den Autor und weitere Mitwirkende Frank Bethwaite has been at the leading edge of national and world class sailing for over sixty years. Apart from his own outstanding racing successes, he has coached every level of would-be champion from basic to Olympic standard. Within his own family, three are Olympic champions and three are world champions in four classes. From a background of aeronautical engineering and meteorology, Frank spent thirty years in military and civilian aviation and finally in scientific flying. When he retired he decided to find out how small sailboats worked - so that he could make them sail faster."
